

How To Update The DS708 By Update Card

After 1 year, if you still want to update your DS708, You can buy the **DS708 update Service** from us. Then we will send you the DS708 update card.

How to update ?

1. LOGIN your Autel Account

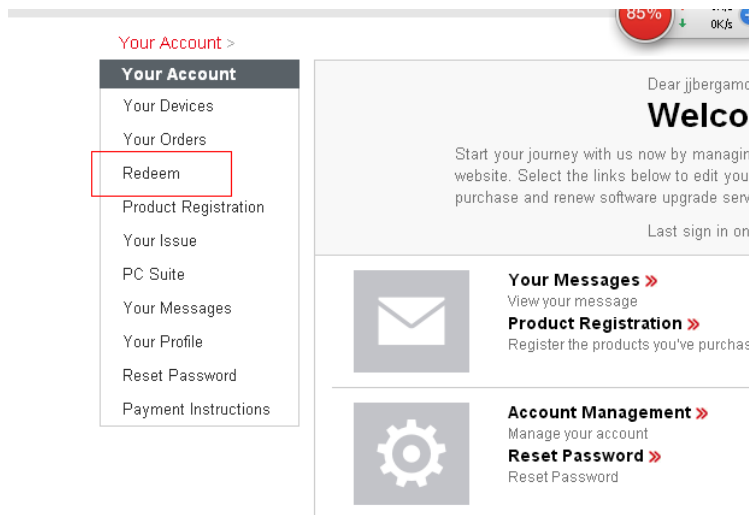

You need to go to the office website: www.auteltech.com, sign in to the account which corresponding the DS708 serial number needs to upgrade, Please confirm the account can be used

2. Input the Autel ID And password as following picture:

The screenshot shows the Autel website's login page. The header is red with the Autel logo on the left and navigation links (Products, Diagnostic Platform, Diagnostic Software, Support & Updates, About Autel) on the right. A 'Sign in' link is highlighted with a red box. Below the header, the text 'Sign in or join Autel now.' is displayed. A sidebar on the left titled 'Join Autel now' contains a 'Create an Autel ID' button and a list of benefits. The main 'Sign in' section has three input fields: 'Autel ID', 'Password', and 'Code'. The 'Autel ID' and 'Password' fields are highlighted with red boxes. A 'Forgot your Autel ID?' link is below the first field, and a 'Forgot your password?' link is below the second. A CAPTCHA image with the code 'mdpm' is below the 'Code' field, with a 'Try a different image' link. A 'Sign in' button is at the bottom right of the form.

3. when you go to the account, Select the **Redeem** from the left

4. You will see the picture as following:

5. Insert information to the top of picture:

- 1) Chose the Product, it will shows your DS708 Serial number
